DAVID SCOTT COMPANY

THE ULTIMATE ANTI-FATIGUE MAT

The Ultimate Anti Fatigue Floor Mat is very user friendly, lightweight, and easy to clean. National Floor and Safety Institute approved, our non-slip quality tested 40% higher than any other sponge mat. Non allergenic, latex, and silicone free. Ortho mats come standard with a 45 degree safety bevel that allows all service carts to roll over the mat with ease. Factory customized shapes and sizes are available if needed, please contact us for inquires regarding custom products.

- Closed cell feature eliminates absorption of liquids and dirt
