DAVID SCOTT COMPANY

BLUE DIAMOND®
GEL POSITIONERS

GEL CHEST ROLLS, SANDBAGS, & CONTOURED POSITIONERS

Blue Diamond® dry viscoelastic polymer gel pads and positioners are engineered to mimic the composition of human adipose tissue. This innovative design significantly reduces the risk of decubitus ulcers caused by friction. Independent studies have demonstrated the superior performance of gel compared to foam and other conventional positioning and pressure-reducing products.
Proudly made in the USA.

PEDIATRIC GEL CHEST ROLLS

BD2490	6"L x 2"W x 2"H
BD2495	8"L x 2"W x 2"H
